26/03/2013

To whom it may concern,

This is to certify that Md. Tanvir Hossain is currently employed as one of our Software/Web Developers.

He holds the position on a Part-Time basis, working 20 hours (or more) per week and has been employed by Discount Domain Name Services since the 5th of March 2012.

Mr Hossain's major responsibilities include:

- Developing web applications
- Proposing software designs to enhance code reusability and ease of maintenance
- Building integration modules that work with various third-party APIs and web services
- Ensuring quality of software applications through testing and debugging
- Preparing documentations in regards to software maintenance and quality assurance
- Communicating with vendors / partners to resolve technical issues as and when required

Regards,

Rod Keys
Director

I certify that this document is a true copy of the original
having been sighted by me this day 9/5/13.
